### Soccer Sessions Dates & Details:

#### Winter 2010

Registration Deadline - December 29, 2009  
Session begins January 12, 2010  
U6, U7 & U8 - small sided only - 9 games - \$530  
U9 and older - 9 games - \$775

#### Referee Payment System:

In addition to your team fees all of the  
teams are now responsible for paying the  
referees before each game can begin.

This is a system that is typically used  
outdoor. Prior to each game your team's  
captain/coach/representative will sign in at  
the front desk, pay and get a receipt. This  
receipt must be shown to the referee before  
the game can start.

To ensure the referee's payment, in the  
case of a forfeit or no show, a cash deposit  
will be collected at your first game. (Small  
sided = \$5 deposit / Full field = \$8 deposit)  
This deposit will only be used in the event  
of your team's forfeit/no show to a game. If  
your team makes it to all of your scheduled  
games then the money will be applied to  
your last game referee payment.

Small sided teams will pay \$5 cash per  
game. Full field teams will pay \$8 cash per  
game. Cash payments only and no  
prepayments allowed.

For more details please pick up a rule book  
at the front desk or download a copy from
