Player Development Programs for individuals:

Build-A-Player Program 11th yr

Skills development classes, ages 4-10
The Build-A-Player Program offers four specific skill development class choices: Fun Beginnings, Dribbling & Juggling, Passing & Shooting and Combo. The goal of each class is to create a positive atmosphere in which young soccer players learn solid, technical skills from licensed coaches and players. The ratio of 10 players to 1 coach is always maintained and ensures individual attention during all activities.

Fun Beginnings consists of 6 one-hour classes full of fun organized games that focus on ball control. Session topics include dribbling, passing, shooting, trapping and heading for players ages 4 and 5. Cost = \$75

Each Dribbling & Juggling, Passing & Shooting, and Combo class includes a warm-up period, 2 specific skill-builder activities and a small-sided game. The 6 one-hour, technical classes for players ages 6-10 are designed to develop the dribbling, juggling, passing and shooting skills of youth soccer players. Cost = \$75

The Sports Barn Academy 6th yr

Indoor soccer league, ages U6-U8
The Sports Barn Academy was created to place individual players without a team on an indoor soccer team so that they may experience organized team play. All created teams will be assigned a coach that will attend and lead all games. Academy teams will play in the regular session's league, in small-sided games. Players will have the opportunity to play in 9 league games and will receive a t-shirt. This league is available to boys and girls in the U6 and U8 age range and players are taken on a first come-first served basis. Cost = \$80

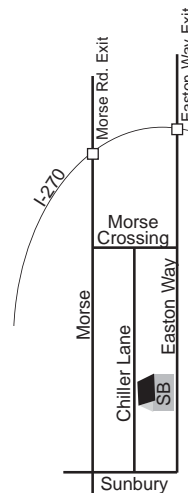

The Sports Barn Indoor Futbol Club (I.F.C) 5th yr

Indoor soccer league and classes, ages U9-U12
Boys and girls in the U9 to U12 age range will have the opportunity to join the Sports Barn's Indoor Futbol Club. As a player in the IFC, youth will play in 9 league games and receive 6 hours of indoor training and 2 IFC team t-shirts. Teams will be formed and Sports Barn coaches will lead practices and games throughout the season. Games will be played on the full fields with 6 or 7 players per side. Cost = \$125

Soccer Sessions Dates & Details:

Fall 2008

Registration Deadline - October 14, 2008
Session begins October 21, 2008
U6, U7, & U8 - Small Sided only - 9 games - \$525
U9 and older - 9 games - \$750

New Referee Payment System:

In addition to your team fees all of the teams are now responsible for paying the referees before each game can begin.

This is a system that is typically used outdoor and is very successful in indoor facilities throughout the U.S. Prior to each game your team's captain/coach/representative will sign in at the front desk, pay and get a receipt. This receipt must be shown to the referee before the game can start.

To ensure the referee's payment, in the case of a forfeit or no show, a one time cash deposit will be collected at your first game. (U6-U8 = \$5 deposit / U9 & older = \$8 deposit) This deposit will only be used in the event of your team's forfeit/no show to a game. If your team makes it to all of your scheduled games then the money will be applied to your last game payment.

U6 - U8 teams will pay \$5 cash per game.
U9 and older will pay \$8 cash per game.
Cash payments only and no prepayments allowed.

For more details please pick up a rule book at the front desk or download a copy from our website www.thesportsbarn.net
